

## MISSION STATEMENT

**Spectrum Society's mission is to provide services to people with disabilities that will allow them to function more productively and independently in the community:**

.... To assist individuals to live in the community in the residential environment that allows them to function most independently. To facilitate a spectrum of residential options so that individuals with developmental delays are able to live in the environment that best suits their needs.

.... To assist individuals in becoming productive members of society by developing their vocational or leisure skills so that during the daytime, they are engaged in fulfilling pursuits.

.... To assist individuals in developing social networks and leisure options so that during their spare time, they are engaged in fulfilling pursuits.

.... To enhance the dignity and respect of individuals by assisting personal participation in decision making, by respecting the individual's privacy, and by using teaching methods that protect the individual's self-esteem.
